

# 101 FREE TECH TOOLS FOR TEACHERS

PRESENTED BY

**SimpleK12**<sup>TM</sup>  
powered by InfoSource, Inc.

*The internet is teeming with free resources waiting to be used to enhance the classroom experience. Singling out the best ones, however, can be overwhelming and time consuming. At SimpleK12, we have meticulously scavanged the internet in search for the best free classroom tech tools. We're thrilled to present to you this list, 101 Free Classroom Tech Tools, and we hope it engages you and proves itself useful for all of your educational technology needs.*

**DISCLAIMER:**

*Please use at your own discretion. As always, it is important to check out any website before using it in class with your students. While all tech tools are free or partially free at the time of this document's creation, we cannot guarantee that one or more of the tools listed does not require registration or fees. We try hard to bring you the best free tech tools available on the web. If you know of a great classroom tech tool you'd like to add to the list, contact us at [www.SimpleK12.com](http://www.SimpleK12.com).*

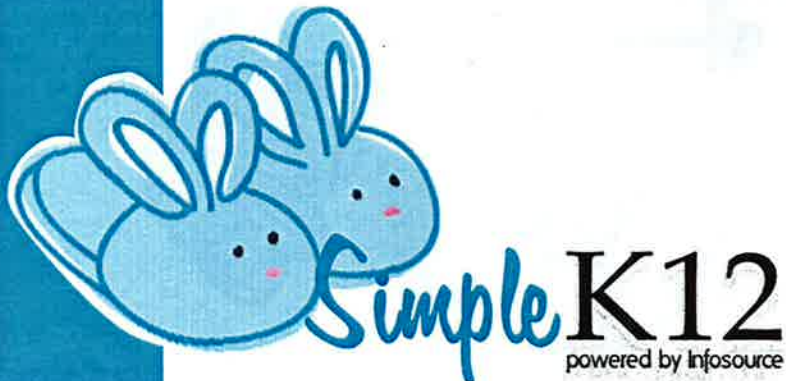

*Lisa Greathouse, Educational Resource Director, [SimpleK12.com](http://SimpleK12.com)*

**FableVision Learning Poster Gallery**

We are always looking for ways to make classrooms more wonderful places. Created by Peter H. Reynolds, these posters provide gentle reminders and inspiration for students and teachers. Feel free to download, print, and share these posters with your students and colleagues!

Click on the thumbnail images below to see the larger, 8.5 x 11 inch printable PDF version. We're always adding to the FableVision Poster Gallery, so keep checking back!

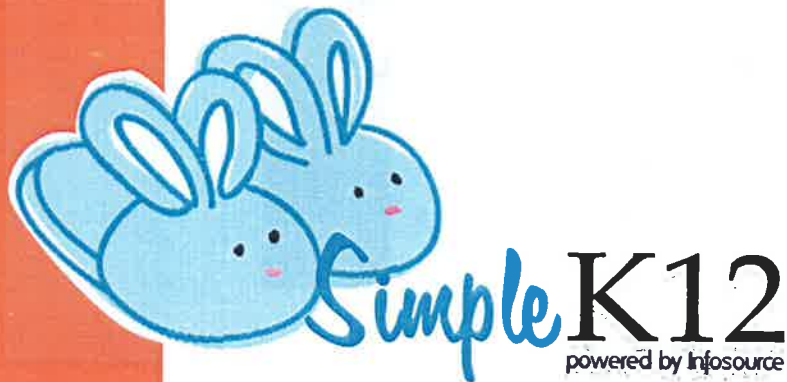

**A Poster by Peter... AND You!**  
At the request of a thoughtful customer, we created this poster that you can share a part in creating. Peter drew this and waits for you to add a splash of color! This poster also makes for a fun coloring activity for students.

**Words And Their Stories™ Poster: Accolade**  
Don't forget to give your students accolades when they add this cool word to their vocabulary!

**Words And Their Stories™ Poster: Renovate**  
Looking for an easy way to renovate your classroom? Add a little color to your wall with this poster from Peter H. Reynolds!

COLLABORATION & SHARING TOOLS

|           |   |   |
|-----------|---|---|
| Bookrix   | Publish your own, or read others' published works   | <a href="http://www.bookrix.com">http://www.bookrix.com</a>       |
| Chatzy    | Create your own chat room and invite others. Works on any PC with no downloading or registration required, and no pop up ads. | <a href="http://www.chatzy.com/">http://www.chatzy.com/</a>       |
| MediaFire | A free account lets you upload, store, and share an unlimited amount of files under 100MB.                                    | <a href="http://www.mediafire.com/">http://www.mediafire.com/</a> |

Simple K12  
powered by Infosource

The screenshot shows the MediaFire website with the following content:

- Welcome to MediaFire**: Powerful for business, simple for everyone. The easy way to host and share any files including documents, presentations, videos, and images.
- UPLOAD to MediaFire** (button)
- Or Create a Free Account** (button)
- Blazing fast file and media hosting**: More than just a file hosting site, MediaFire has the features you need to help you upload, download, manage, and store your favorite presentations, videos, images, and more.
- Unlimited Uploads**: All accounts can upload an unlimited number of files.
- Unlimited Downloads**: You can share your files with an unlimited number of users.
- Share Huge Files**: Free 10GB file size. **Business**: 100GB file size.
- Unlimited Storage**: All accounts come with unlimited storage space.
- Direct Hot Linking™**: Allows unlimited people to access your files.
- Flexible Sharing**: Choose who can view, download, and print.

Logos for PCWorld, CNET, USA Today, Top 100, lifehacker, and TechCrunch are displayed. A testimonial states: "MediaFire has been recognized as one of PC Magazine's top web sites all 2009 and recognized as one of the top 10 to use for hosting services by CNET, Lifehacker, PC World, USA Today and TechCrunch." A final statistic reads: "Every month, more than 88 million people use MediaFire to send and receive over 400 million files to their friends, family, fans, colleagues, and clients."

## COLLABORATION & SHARING TOOLS

|                     |   |  |
|---------------------|---|--|
| <p>Scribblar</p>    | <p>Another way to create your own chat room. Requires registration and small download but allows audio chat and file sharing.</p>             | <p><a href="http://www.scribblar.com/">http://www.scribblar.com/</a></p>                             |
| <p>ShowDocument</p> | <p>Create a web meeting where you can upload, share, and view documents at the same times as your collaborators. No downloading required.</p> | <p><a href="http://www.showdocument.com/ds/main.jsf">http://www.showdocument.com/ds/main.jsf</a></p> |
| <p>Skype</p>        | <p>Call, video chat, and instant message.</p>   | <p><a href="http://www.skype.com/">http://www.skype.com/</a></p>                                     |

**ShowDocument** Web Meeting and Document Sharing

Home Services What's New Help

Begin a Web Meeting or Document Sharing session using...

- Quick Start**: Launch a collaborative working session by selecting from a list of applications.
- Shared Documents**: Upload, view and share documents, web pages and images stored on your workstation or server.
- Shared Whiteboard**: Exchange ideas and information with colleagues via a real-time interactive whiteboard.
- Word/Text Shared Editor**: Communicate and collaborate with team members by simultaneously writing and editing text/word files.

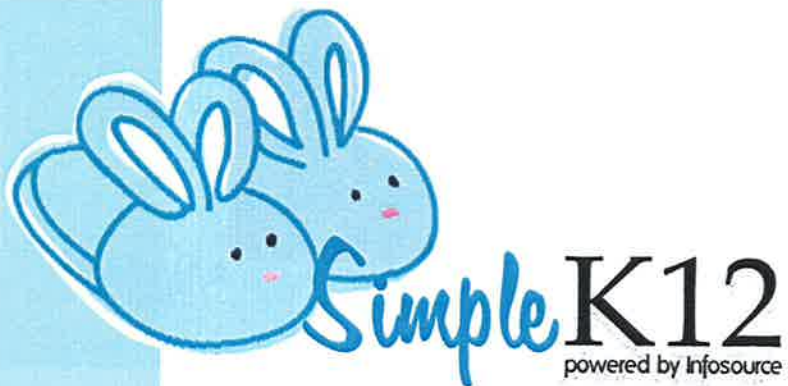

Invited to a Web Meeting? Insert your code:

Show Document on Facebook

Show Document on Twitter

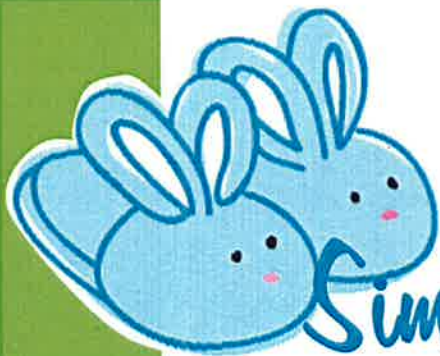

Show Document is a Web Meeting platform for individuals and businesses to have meetings where people get work done. Document is the leader. All the best meeting collaboration services can be used to work together at the same time. The web meeting platform offers the following interactive services:

- Share Document online**: A file-sharing party online that provides a secure file sharing web to work together with no document downloading. PDF, Word, Power Point, etc. files. Meeting file sharing. Please go to work meeting page for more info.
- Shared Text Editor**: An application on the web that allows you to write together during the web meeting. It has a real-time save the text on the back-end server.
- Share Design Web**: Show Google Maps together during a web meeting. The Google Maps tool is used on the website by ShowDocument. Besides showing the map, you can also share the location and zoom in and out of the map. You can also share the map.

Challenge your students with meaningful, engaging, and fun projects with digital video!

| Sketchcast            | Record a sketch online, with or without audio.                                     | <a href="http://sketchcast.com/">http://sketchcast.com/</a>                                       |
| Storybird             | Share short visual stories of your own creation.                                   | <a href="http://storybird.com/">http://storybird.com/</a>   |

CREATIVITY & FUN

|           |   |   |
|-----------|---|---|
| WebList   | View others' lists or create your own web list made up of URLs, photos, music, videos and more. | <a href="http://weblis.me/">http://weblis.me/</a>           |
| WordItOut | Use your own text to create a cloud of words.   | <a href="http://worditout.com/">http://worditout.com/</a>   |
| Wordle    | Generate your own "word cloud" by entering a word or list of words.                             | <a href="http://www.wordle.net/">http://www.wordle.net/</a> |

**WordItOut** Create Discover Community

Transform your text into word clouds!

What's a word cloud?  
An attractive arrangement of randomly positioned words, where the most important words are bigger than the others.

What are they for?  
Wacky for fun - and how you can send them automatically onto home, a great idea for making custom gifts! Plus they are fantastic at summarising large documents (reports, speeches, questionnaires, etc), teaching kids and more.

Discover other examples Create your own

Great idea: make personalised gifts!

Personalised presents

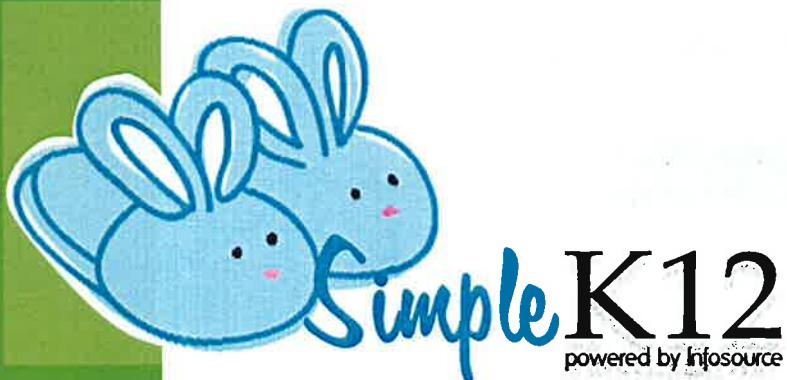

Featured word clouds

WordItOut is the world cloud generator that gives you control with many custom settings. Free to use and no log-in required!

- Customise more settings than any other word cloud generator
  - Create and upload your own text, with support for text attributes to adjust
  - Choose how to filter the text, and to filter by density or volume and make your images as wide as you like
  - Upload and download your images, and the ability to download or print directly from the site (and how to use them), or to download a random list to your
- Keep control of your word clouds

WordItOut is the world cloud generator that gives you control with many custom settings. Free to use and no log-in required!

### PDF to Word™

The Most Accurate PDF-to-Word Converter

Using our PDF-to-Word conversion technology, you can quickly and easily create editable DOC/RTF files, making it a cinch to re-use PDF content in applications like Microsoft Word, Excel, PowerPoint, and WordPerfect.

Best of all, it's *completely free!*

**Download PDF to Word Converter**

Our PDF to Word Converter is now ready for your desktop.

**Learn More & Download**

- Convert faster
- Convert more accurately
- Convert in batches

**Step 1**  
Select PDF to convert:  
Choose File

**Step 2**  
Convert PDF file to:  
DOC • RTF

**Step 3**  
Email the file to:  
[Email Address] [Convert]

**Convert Incredibly Large or Old Word Files Easily Now!**

**Support Packaging Microsoft Word Formatting Issues**

**Accurate Retention Graphics and Multimedia Image Quality**

While it's not possible to replicate the exact formatting and appearance of the original file used in creating a PDF, we believe our free PDF-to-Word Converter provides more accurate results than any other tool out there, including the most expensive desktop products.

Creating a Word file that resembles the original PDF is just the first step. When you need to quickly reorganize PDF content in Word, it must also be well formatted. Unlike most PDF-to-Word converters, we use the full output of formatting and layout tools available in our online technology.

Pictures, tables, vector images, and basic charts are all examples of content elements that might be contained within PDF files.

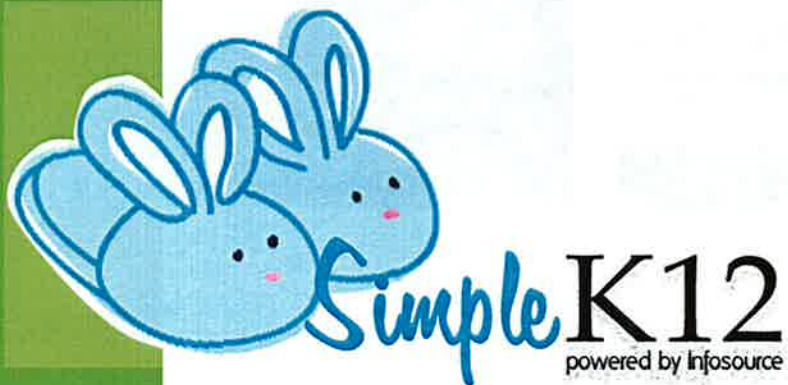

Our PDF-to-Word converter is designed to convert and accurately reposition all of these upon conversion. Even for complex documents and tables with

## PODCAST & AUDIO TOOLS

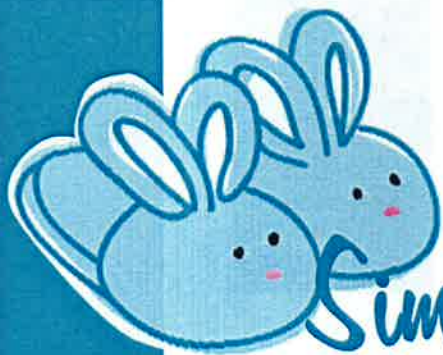

|             |  |   |
|-------------|--|---|
| PodBean     | Guides you through podcasting in three easy steps.                     | <a href="http://www.podbean.com">http://www.podbean.com</a>         |
| Classic Cat | Directory of classical music with thousands of royalty-free downloads. | <a href="http://www.classiccat.net/">http://www.classiccat.net/</a> |

The screenshot shows the PodBean.com homepage. At the top, there's a navigation bar with links for "Home", "Podcasts", "Types", "Add a Podcast", and "Publish a podcast". Below this, there are two main sections: "Podcast Publishers" and "Podcast Audiences". The "Podcast Publishers" section lists benefits like "Promote your site and services", "Easy to produce your content", and "Powerful marketing tools". The "Podcast Audiences" section lists benefits like "Catch up on your favorite podcasts", "Discover what other users are subscribing to", and "Play wherever you are".

Below these sections, there are several rows of featured and promoted podcasts, each with a small thumbnail image and title. On the right side, there are two more sections: "Podcast tags to browse" with a list of categories like "Cycling", "Sports", "Music", "Humor", etc., and "Popular Podcasts" with a numbered list of top podcasts.

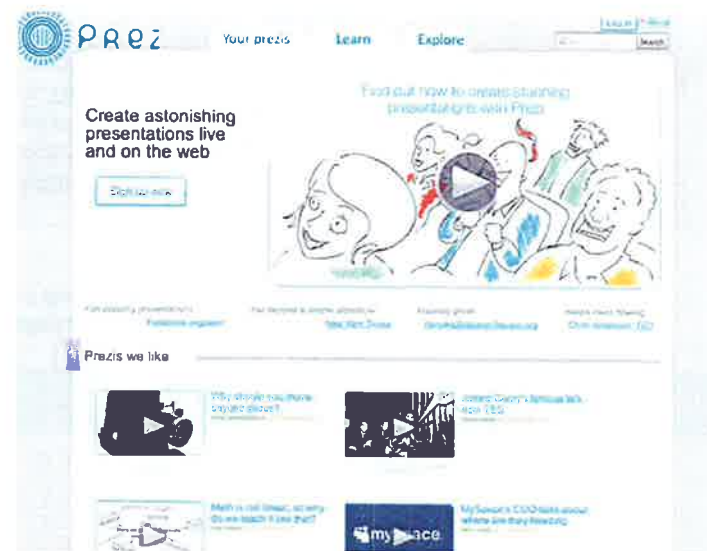

PODCAST & AUDIO TOOLS

|             |   |   |
